PROVIDER NOTIFICATION OF RECIPIENT AUTHORIZED HOURS AND
SERVICES AND MAXIMUM WEEKLY HOURS**

FLORA APELO
140 Mirror CT
Patterson, CA 95363-8304

Notification Date: 07/01/2024
Provider Name: FLORA APELO
Provider Number: 000549932

You are receiving this notice because you are a provider of IHSS
for RENEE APELO.

This notification is to inform you of your recipient's monthly authorized hours, of the services you are allowed to perform for your recipient, and of your recipient's potential Share of Cost liability.

Your recipient has a Share of Cost: ☐ Yes ☒ No
(For more information about Share of Cost see page 2)

Your recipient's monthly authorized hours are 242:56.

Your recipient's maximum weekly hours are his/her monthly authorized hours divided by 4.0,
60:44.

The chart on pages 3 and 4 lists the services that have been authorized for your recipient (which have been marked with an X), along with a brief description of the types of work that may be performed as part of each service. You will only be paid for providing the authorized services that have been marked.

Your recipient is responsible for creating a work schedule with you to accommodate his or her maximum weekly hours and monthly authorized hours. Please note, if your recipient has more than one provider, you may be limited in the amount of the services you provide as your recipient may schedule other providers for these services. The total hours worked by all the providers cannot be more than the recipient's maximum weekly hours and authorized monthly hours. You will not be paid by the IHSS program for any hours that exceed your recipient's authorized monthly hours.

If you are working for more than one recipient, you will be able to work up to 66 hours per week. You are responsible for informing each of your recipients of the hours you will be available to work for him/her, taking into account hours you may be working for other recipients to make sure you do not exceed the 66 hours per week.

If you work more than your recipient's authorized weekly hours without your recipient receiving county approval, you may incur a violation. However, your recipient may adjust the weekly authorized hours in specific circumstances without county approval.

If you are the only provider for your recipient, you will be able to work up to your recipient's maximum weekly hours and monthly hours.

Important Things to Remember:

- If you need any additional information regarding the services that have been authorized for your recipient and the work you must provide to him/her beyond what has been provided in the chart included in the previous page, you may contact your local county IHSS office.
- It is your responsibility to follow the workweek schedule created by your recipient.
- Share of Cost is the amount of money your recipient has to pay toward his/her Medi-Cal expenses such as payment to IHSS providers, before Medi-Cal will pay. This means, your paycheck might reflect the Share of Cost deduction amount. It is the responsibility of the recipient to pay you any share of cost deducted from your paycheck.
- If you work more than your recipient's authorized monthly hours, those services are not considered IHSS and you will not receive payment for working those hours from the IHSS program. It is the responsibility of your recipient to provide payment for those additional hours.
- If your recipient's monthly hours change, you will receive another notification of your recipient's weekly authorized hours reflecting the change in hours.
- The hours you can claim on your timesheet will be adjusted if you start or stop work in the middle of a month.
- Contact your county IHSS office immediately if your recipient is hospitalized or passes away. You cannot claim hours for work done while the recipient is hospitalized or after your recipient has passed away.
- Social Security taxes and State Disability are automatically deducted from your paycheck. To have State or Federal income tax withholding deducted from your paycheck, you must complete and turn in a W-4 and/or DE-4 to your county IHSS office.
- If the recipient for whom you work is your parent, spouse, or child, you may not be eligible for withholding of Social Security or Medicare taxes or unemployment taxes.
- If you are injured while providing IHSS services, contact your county IHSS or Public Authority office immediately.

Should you have any questions regarding any of the information provided on this notice or if you are no longer working as an IHSS provider, please contact your county IHSS office.
